**Bob & Nancy Laughland** have been married over 40 years with 16 years of post-betrayal recovery. Bob and Nancy believe that transparency about their story-- both the mistakes they've made and the glorious rebuilding of their relationship-- give purpose to their losses and glory to God. Nancy works at Portland Community College and Bob is a manufacturer's representative. In their free time, they teach ballroom dance. They have two married adult children and four perfect grandchildren.

**Steve & Mary Frantz** Mary and Steve were married for 37 years when Steve's betrayal was discovered. A sexual addiction and marriage betrayal led to years of recovery, counseling and intimacy rebuilding. Through support, hard work, difficult trials and Gods grace, their marriage continues to strengthen. Today, they each continue individual group support and co-lead a couples group study focused on redeeming marriages. Mary and Steve have 2 adult

**Greg & Lynn Bruce** have been married over 35 years and have 4 children and 5 grandchildren. They have been in recovery for 4 years and will be speaking for the second time at this Marriage Redeemed Conference.

**Dennis and Georgia Miller** have been married over 40 years and represent International Christian Ministries as well as serve as co-directors of Tuff Stuff Ministries. As a result of their life changing journey with sexual addiction and recovery, they provide lay-counseling for couples and individuals dealing with the emotional trauma of betrayal. Together they facilitate small groups of couples in recovery using their "Under Construction" curriculum. The Millers speak at conferences, colleges, retreats, and men's and women's gatherings.

Drs. Earl and Sandy Wilson have been married for over 50 years and are retired from their active counseling practice. They founded Tuff Stuff Ministries several years ago and serve as co-directors of Tuff Stuff.
